DESIGNED FOR PERFORMANCE

A premium SUV coupé silhouette combining sporty elegance with aerodynamic precision, guided by a Golden Proportion design. Defined by a diamond-matrix grille, signature LED lighting, and hidden door handles, it delivers a bold presence with refined detailing.

ADAS 2.5

ADAS 2.5 integrates 22 advanced driver assistance technologies to enhance safety, awareness, and driving confidence. With intelligent features that support monitoring, alerting, and intervention, it delivers a more secure and controlled driving experience.

SAFETY & SECURITY

ABS Anti-Lock Braking System
EBD Electronic Brakeforce Distribution
HBA Brake Assist System
BOS Brake Priority System
ESP Brake Control System
TCS Traction Control System
RSC Roll Stability Control
HAC Hill Assist System
HDC Downhill Assistance System
TPMS Tyre Pressure Monitoring System
PEPS Passive-Entry-Passive-Start
Front & 2nd-Row Pre-Tensioner Safety Belts
Driver & Front Passenger Seatbelts Reminder
